

Dosbarth Seren: April 2022

Dosbarth Seren

Dear pupils, parents and families,

Welcome back to the final term of the year! It is hard to believe that we are now in the last term of the year

What will be learning about?

In English we will be writing a 'Time-slip story' focusing on detail and description.

In maths we will be looking at a range of number skills alongside problem solving, shape, data handling and measurement.

Our topic this year will aim to answer the question 'Who were The Pharaohs?' This topic will be a history topic learning about The Egyptians. As part of this topic, we will be visiting The Egyptian Centre at Swansea University.

Secondary school transition

- Parents of Y6 pupils should have now accepted their child's place for secondary school in September
- Visits and transition meetings will be held in the coming weeks allowing pupils to visit their new schools and meet other children and staff (dates TBC)
- Should you have any questions regarding transition please get in touch
- Y5 pupils going into Y6 will apply for their place between September and December.
- School uniform grant information - <https://www.carmarthenshire.gov.wales/home/council-services/education-schools/financial-support/school-uniform-and-equipment-grant/#.YiiQqOjP3IU>

We are looking into what events and celebrations we will be able to enjoy this year in line with COVID rules and regulations. We shall update you on this when we have more information.

Health & Safety

The guidance on COVID is ever changing. Please contact the school if you have any questions regarding COVID safety and protocols.

Summer term weather – Please ensure that pupils have suitable clothing for the summer weather. Also, please ensure items are names and labelled.

Sun hat ~ Sun cream ~ Sensible footwear ~ Water bottle

Home learning The home learning project for the topic will be shared. Pupils should complete the task. Completed work will be rewarded with a green dojo when brought in. It is important for pupils and parents in Y5/6 to prioritise home learning to help prepare for transition into secondary school.
