

Crynallt School Council 2025-26 😊

The Crynallt School Council plays an important role in representing the voice of pupils across the school. Council members meet weekly with Miss Williams to gather ideas and feedback from their classes, ensuring that every pupil can share their views and contribute to decision-making within the school.

This year they have: -

- ☺ **Met with the PTA to discuss how we can together to improve school grounds**
- ☺ **Worked with Morgan Rowlands (School and Community worker) on Water Safety, to create an informative and eye-catching water safety display.**
- ☺ **Started to create a new behaviour expectations poster-Respect, Safe, Ready.**
- ☺ **Shared ideas- girls only/boys only football days**
