Aled Afal - Gwyrdd i Gychwyn

Aled Afal is an old scheme however has been redesigned and updated to include Welsh and English texts for children to practice their extended writing.

In derbyn/blwyddyn 1 a 2 it focuses on capital letters and punctuation before moving on to using descriptive language.

By the time they come to year 3 they have a strong understanding of those skills that we can build upon and introduce to the English writing. We start with Alex and then Tish the dog and then Alex's friends.

Cylchdro Thema a Darllen Thematic and Reading Rotations

We plan to include different elements of the curriculum but will always have Numeracy as our focus task and Literacy as another.

- *Independency is key in these lessons due to the nature of a focus group and 4 other tasks. A lot of training goes into this in the first half term to get the pupils in a routine.
- *All 5 groups are of a mixed ability and the pupils get the activity best suited to their level of learning. Throughout the year they may get a level higher or lower depending on the task.
