# What will I learn?

- ✓ Recognizing and supporting each child's unique experiences
- ✓ Collaboration with children, parents, and carers, ensuring the child's voice is heard and their individual needs are addressed
- ✓ Role of adults is to observe and create engaging, meaningful learning experiences that are relevant to children's interests, while fostering an environment that promotes holistic development and independent learning
- ✓ Designed to align with the Curriculum for Wales, focusing on five key developmental pathways: belonging, communication, exploration, physical development, and well-being.
