

Home Activities

Daily Activities

*Play maths games on the link below. Choose any game you like

<https://www.topmarks.co.uk/maths-games/5-7-years/counting>

*Practise neat handwriting, making sure your letters are sitting on the line and facing the right way.

*Read or listen to a story on the Oxford Owl website or from your favourite story book.

<https://www.oxfordowl.co.uk/for-home/find-a-book/library-page>

More stories to read/listen to on

<https://www.booktrust.org.uk/books-and-reading/have-some-fun/storybooks-and-games/>

Language, Literacy and Communication/ICT

Open the file called 'All about me' in your shared files and complete the boxes with information to tell me facts about you.

Mathematical Development

Continuing with Fractions, open the file called 'Half or not half?' in your shared files. DO NOT CLICK EDIT. Drag the shapes into the correct boxes according to whether they have been cut in half or not.

Health and Wellbeing

We are going to reflect on our 'lockdown experience this week. Open the file 'Lockdown Questionnaire' and answer the questions about what you have found good and bad about lockdown. Rather than write your answers, I'd like you to use the 'record' button on J2E to answer the questions with your voices. See 'Recording voice on J2E instructions' to show you how.

ICT

With an adult, use J2E to make a poster of things you like to go along with your language task e.g. put photos of your favourite things on your poster like football, your favourite animal, your favourite games/toys etc. Look at the 'Using search on J2E5' to help you look for photos on the internet.

Welsh Activity of the Week

Listen to the Cyw Song 'Dyma Fi' (Here I am)

<https://cyw.cymru/en/songs/can-dyma-fi-cyws-here-i-am-song/>
