Health and Wellbeing

We are going to reflect on our 'lockdown experience this week. Open the file Lockdown Questionnaire and answer the questions about what you have found good and bad about lockdown. Rather than write your answers, I'd like you to use the 'record' button on J2E to answer the questions with your voices. See 'Recording voice on J2E instructions' to show you how.

Language, Literacy and Communication

On You tube Watch the phase 1 Jolly Phonics songs

<https://www.youtube.com/watch?v=T4IfiKiQ-3I>

*Practise writing the letters in the songs (s, a, t, p, i, n) on paper or using any mark making equipment you like i.e. paint brush and water on the ground, into sand, pencil, into shaving foam etc.

*Make playdough/string letters for the same set of letters

*Download a letter formation app like PocketPhonics Stories, and practise forming letters online.

*Take photographs of your work and load them on to your HWB account.

ICT

With an adult, use J2E to make a poster of things you like to go along with your language task e.g. put photos of your favourite things on your poster like Fireman Sam, your favourite animal, your favourite games/toys etc. Look at the 'Using search on J2E5' to help you look for photos on the internet.

Mathematical Development

Continuing with Fractions, open the file called 'Half or not half?' in your shared files. DO NOT CLICK EDIT. Drag the shapes into the correct boxes according to whether they have been cut in half or not.

Welsh Activity of the Week

Listen to the Cyw Song 'Dyma Fi' (Here I am)
