*Keep practising different ways of making different amounts

e.g.

Think about 5 things that are special to you that you would like to keep locked safely in a treasure chest and why did you choose those 5 things?

Type in the '**Treasure chest**' file what you would put in it and why?

If you want you could take a photo of your special things and upload them in to your treasure chest/

****See below for some fun Pirate arts and crafts activities you could try!****

ICT

*Open the file **Pirates.gif** to see the pirate animation I created on Jit5.

Have a go at recreating the animation by opening the file called **Pirates**. I've taken a photo of what I put in each cell and called it **Pirate Animation Cells** in your shared files. You will see that I've gradually made the boat and the people get smaller as the boat gets further away.
