

Home Activities

Daily Activities

*Practise your numbers by playing the Helicopter Rescue game on Topmarks. You can change the number range to suit Connors ability. Start with numbers to 20 until he's confident, then adjust to larger numbers.

<https://www.topmarks.co.uk/learning-to-count/helicopter-rescue>

*Count objects to a maximum of 20

*Choose any counting game you like on the link below

<https://www.topmarks.co.uk/maths-games/5-7-years/counting>

- Practise writing your name using a pencil, paintbrush and water on the ground outside, chalks or anything you like!
- Listen to a story on the Oxford Owl website or from your favourite story book.

Health and Wellbeing

This week is National School Sport Week. Follow the links below to learn how to play some target games at home.

Frisbee Golf

https://www.youtube.com/watch?v=Tn8utqG_vis

King of the Cones

https://www.youtube.com/watch?v=GXN9cYj6eX8&feature=youtu.be&list=PLYGRaluWWTojV3An2WEgsQ4qGFy_91jDL

Tap Up Tennis

<https://www.youthsporttrust.org/sites/default/files/Tap%20Up%20Tennis%20Challenge.pdf>

In the box

Language, Literacy and Communication

- On You tube Watch the phase 1 Jolly Phonics songs

<https://www.youtube.com/watch?v=T4IfiKiQ-3I>

*Practise writing the letters in the songs (s, a, t, p, i, n) on paper or using any mark making equipment you like i.e. paint brush and water on the ground, into sand, pencil, into shaving foam etc.

*Make playdough/string letters for the same set of letters

*Download a letter formation app like PocketPhonics Stories, and practise forming letters online.

*Take photographs of your work and load them on to your HWB account.

ICT

"Health professionals suggest that children between 4 and 8 years old should drink 1.2 litres of water per day. That's about 5 cups/small glasses each day. In hot weather or when you are taking part in sport you might need to drink more! "

Do you drink enough liquids?

Using the file called 'Go with the flow' on Jit5, keep a drink diary for 1 week

Mathematical Development

This week we're going to look at capacity. Capacity is the amount of liquid a container holds.

First, click through the PowerPoint called **Measuring Capacity** to learn about capacity.

Next, complete the activity called **Spoon Challenge** in your HWB account . Instructions are on the file when you open it.

Practise measuring the capacity of other containers like saucepans, jugs and buckets using cups to measure their capacity.

Welsh Activity of the Week

Listen to the Welsh song 'Cadw'n Heini' (Keeping fit)

<https://cyw.cymru/en/songs/canu-gyda-cyw-sing-with-cyw-cadwn-heini/>

<https://www.youthsporttrust.org/sites/default/files/Home%20PE%20In%20the%20Box.pdf>

Target Games

<https://www.youtube.com/watch?v=8JJjNKyXsWs>

noting how many glasses of liquids you drink each day. Write the days of the week on one side of the table and the amount of drinks you have each day next to them.

Arts and Crafts Ideas
