## Language, Literacy and Communication/ICT

This week, you are going to write a letter to your best friend. Remember to use the following tips

\*Your address in the top right hand corner

\*Date underneath your address

\*Dear \_\_\_\_\_ on the next line down on the left

\*Your letter should have 3 parts

\*\*1<sup>st</sup> say why you're writing

\*\*2<sup>nd</sup> tell your friend what you've been up to and ask them questions

\*\*3<sup>rd</sup> Give a hope for the future

Look at 'Letter Example' for more help

\*Finish your letter in a friendly way e.g. See you soon \_\_\_\_\_, or Love \_\_\_\_\_

You can do your letter on J2E5 or on paper if you'd prefer. Just take a photo of it and upload it to your HWB account

## Mathematical Development

This week we'll look at calculating change when paying for things with £1.

Complete the file called 'Giving change from £1' in your shared files on HWB.

Use your fingers to count in 10s and help you take away to find the change.

10 fingers = 100p = £1

So if something costs 30p take 3 fingers (3 fingers = 30p) away from 10 fingers (10 fingers = 100p = £1) then count the fingers left as 10s to find the change.

Practise giving change using real money at home.

## Health and Wellbeing

Open the file called 'How to be a good friend' Choose which of the boxes you think are important to be a good friend and drag them into the big box on the left.

Enjoy the stories below about friendship
