Language, Literacy and Communication/ICT

This week, you are going to write a letter to your best friend. Remember to use the following tips

*Your address in the top right hand corner

*Date underneath your address

*Dear _____ on the next line down on the left
Look at '**Letter Example**' for more help

*Finish your letter in a friendly way e.g. See you soon _____, or Love _____

You can do your letter on paper, just take a photo of it and upload it to your HWB account. If you'd rather do it online, you can do it in Jit5 and choose the 'Write' tab.

Mathematical Development

This week we'll look at calculating change when paying for things with 10p

Complete the file called '**Giving change from 10p**' in your shared files on HWB.

Use your fingers to count and help you take away to find the change.

1 finger = 1p

So if something costs 3p take 3 fingers (3 fingers = 3p) away from 10 fingers (10 fingers = 10p) then count the fingers left to find the change.

Practise giving change using real money at home.

Health and Wellbeing

Open the file called 'How to be a good friend' Choose which of the boxes you think are important to be a good friend and drag them into the big box on the left.

Enjoy the stories below about friendship
