CREATIVE

Self-portrait

Create a self-portrait using a technique of your choice. A self-portrait is a picture that an artist produces of themselves. In this case you are the artist therefore you need to present a picture of yourself.

Various techniques include:

- Drawing (sketching)
- Painting
- Sculpting (possibly using clay)

Here is a website which may help you if you choose to sketch yourself:

Or alternatively there are documents saved to your **Hwb account** which may be of use.

➤ Remember to take pictures of your work (possibly step by step) and upload them to your Hwb account.
