### Leadership and Citizenship in action!

We are immensely proud of the pupils who, participated in a sponsored walk for dementia. Year 6 carried out a rich task to plan all aspects of it. This means that different groups took responsibility for the planning, organising and then leading of the walk. They did a fantastic job! Year 5 joined them for the actual walk, using the plans drawn up. What a success! All

monies raised will be donated to Brecon Dementia Friends to support their work. We will let you know the total when all of the monies are in.

We were also thrilled to be able to restart our weekly visits to Trenewydd for Year 6 this week. These visits have taken place since 2015 but ceased during Covid. It was wonderful to reconnect with residents and staff there. The children were fantastic, chatting and listening happily. Gwych!

### Harvest Festival and Food Bank Donations

We will be holding our Harvest Festival, as a whole school, in St David's Church on Friday, October

21<sup>st</sup>. All are welcome to join us for the service. As in previous years we will be collecting items for Brecon Foodbank. This year they have requested the following items if you are able to.

- Tinned Soup & Cup a Soups
- Savoury Snacks
- Washing Detergent
- Please send any donations to school before October 21<sup>st</sup>. Diolch.

### Can you help Year 2?

If you have any spare trousers/leggings/underwear Age 5-8 to donate they would be very grateful! Diolch yn fawr iawn.

### Digital Directors First Tip of the Year!!

Following their meeting, here is the text of the e mail Mrs Lawrence received:-

Mrs Lawrence

We discussed what tip we would like on this month's newsletter and we decided we would like to remind our grown-ups about social media age limits. Mrs Thomas is also going to send you photographs of online safety rules that Year 6 have done in their DCF lesson this week. Can we include those too.

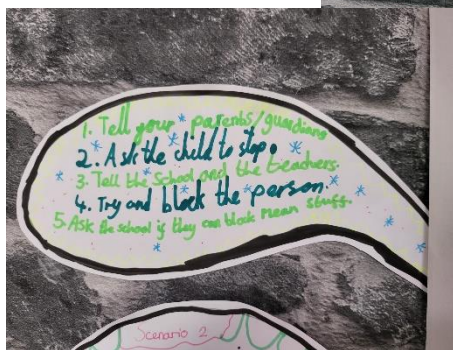

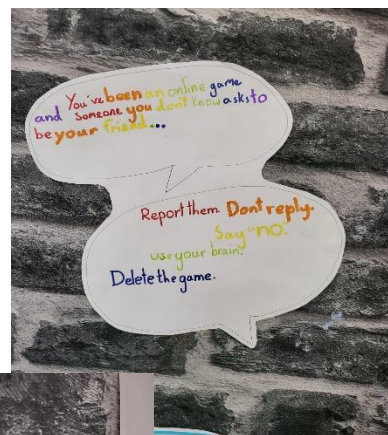

Thank you from all of the digital directors.

### Age Restrictions for Social Media Platforms

What is the minimum age for account holders on these social media sites and apps?

These are Year 6's very sensible online safety tips.

### Pupil Committees hold first meetings after elections!

Our pupil committees met for the first time on Friday 7<sup>th</sup> October after undertaking the election process.

Each group will work on different aspects to develop our school over the coming year. They have already come up with ideas in just one meeting! Our Global Gatekeepers will meet with Miss Thompson when she is in.

### Polite reminder

As we move into Autumn and Winter, we will continue to use the field wherever possible in line with our outdoor learning approach. Please ensure that children in all year groups have a change of footwear for this and have a coat in school. Thank you.
