*Further Autumn dates to follow

School Development Plan

Every year as a school we set priorities and targets for the coming year. This ensures we are always identifying our strengths and areas for development.

This year pupils and staff will be working hard to:

- To Create Increasing Opportunities for Independence
- To Raise Standards of Welsh Oracy
- Enhance the Foundation Phase Learning Environment to Promote Exciting, Experiential and Engaging Play and Learning Opportunities.

We will keep you updated throughout the year as we work towards our targets.

Safeguarding and Parking

Please remember that safety is paramount when parking around school. We understand that this can be difficult at busy times but do not park on the yellow lines, even for a short time. We will continue to work closely with the police and NPT Road Safety Team. This partnership working will continue to monitor the situation.

The main school gate is locked throughout the school day. Please do not use the car park for Breakfast Club drop-off or Afterschool Club collection. If access is needed, please call the school office to arrange.

Please continue to support us for the safety of our families.

Pupil Attendance

Please continue to inform us if your child is going to be absent from school. This is really important to ensure our registers are accurate and up to date. Current whole school attendance is slightly up compared to this time last year, which is really pleasing. The Education Welfare Officer visits school fortnightly and together we monitor attendance and punctuality. Your child/children's current attendance will be shared with you during November Parent Consultations.

Have a lovely half term break and thank you for your continued support

Mrs Jefford
