

# FAMILY ENGAGEMENT OFFICER (FEO)

**Support • Listen • Connect • Guide • Empower • Together**

A friendly, link between home and school – here to support families and help every adult and child succeed.

## **ABOUT me:**

I have over 30 years' experience supporting pupils and families in education. I work closely with schools to provide advice, guidance and practical support, helping young people move forward into education, training or work. I am passionate about building strong relationships between families and schools.

## **WHAT I CAN DO:**

### **Support for Families**

Someone to talk to and listen.

Help with accessing support and service.
