

Healthy - Eco / Eco - Iach

OUR MISSION:

Working together to help our school become more environmentally friendly for our pupils, staff and all of the community.

DYMA'R GRŴP ECO - IACH

Help us look after our school!

Tairgwaith Primary School is located in a beautiful area, with the countryside of Wales on our doorstep. We want to support our local environment by working together to help make our school as environmentally friendly and sustainable as possible!

We know that our actions make a difference and there are many ways that we can help make our school more eco-friendly. Our role as an eco-committee includes meeting to plan our ideas, and sharing these ideas with our peers. We also ensure that our class are following an eco-friendly ethos by turning lights and taps off when not in use. We hope that you will help us by supporting us in our mission!

We encourage our school community to follow a healthy lifestyle by eating healthy snacks, where we monitor and reward each child who follow this.
