Part A: Strategy Plan

Statement of Intent

At Tairgwaith Primary School our vision is to 'Prepare Every Child for a Better Future'.

The key principals of our plan are to:

1. Identify the target group of pupils, its characteristics and needs. These needs may be through a range of targeted intervention programmes, where staff training may be required, financial support in accessing educational trips, implementing new experiences into their curriculum such as visits or visitors, physical resources.
2. To plan an inclusive curriculum which make the most effective use of resources.
3. To monitor and evaluate the impact of resources. Question if these resources have had a positive impact on learning and if so how? If not, question why and what will our next step be?
4. Our goal is:
 - To ensure pupils make effective progress in line with the expectations of Curriculum for Wales by developing a shared understanding of progression

- Improve Attainment and Progress in Mathematics (specifically understanding the Four Rules of Number).
- To ensure ALN reform is fully embedded with nearly all ALN pupils making highly effective progress.
- To develop the school's role as a Community Focused School
