

# Digital Leaders / Arweinwyr Digidol

## OUR MISSION:

Working together to help our school develop digital competence skills.

DYMA'R GRŲP ECO - IACH

# Help us look after our school!

Tairgwaith Primary School is committed to ensuring we have opportunities to enhance, develop and progress our digital competence skills.

We know that our actions make a difference and there are many ways that we can help others in our school to develop their digital skills. Our role as Digital Leaders includes supporting and teaching others how to improve on their digital skills. It includes checking IT equipment regularly and ensuring it is being used safely. It will include us leading assemblies on internet safety to ensure pupils understand how to use technology safely.

We must also ensure that pupils take care of our IT equipment and ensure that breakages are reported to staff.

We hope that you will help us by supporting us in our mission and be open to learning new digital skills.
