Help us look after our school!

Tairgwaith Primary School is committed to ensuring we have opportunities to participate in sport and daily exercise, so that we understand the importance of exercise in keeping our bodies healthy.

We know that our actions make a difference and there are many ways that we can help make our school more active.

Our role as Young Ambassadors includes completing training to learn a variety of fun games and activities, that we can lead during playtimes. We also help out during PE lessons and sports days. It is our responsibility to take care of our sports equipment and ensure that breakages are reported to staff.

We hope that you will help us by supporting us in our mission and keeping active and healthy!
