

ABOUT THE WORKSHOPS

Work it Together Wednesdays (WI2W) are online workshops run through Microsoft Teams. They are informal sessions with a 'podcasty' or chatty vibe. We want to ensure everyone feels comfortable so please feel free to keep your cameras and microphones off and bring food and drinks. We do not expect you to answer any questions or write anything down throughout the session. We value your feedback and love to hear about your best practise and what's working for you. Each month we discuss a new topic related to early years psychology.

THIS MONTHS THEME

The Psychology of Play - Importance of Schematic Play

We will share ideas about:

- Debunk some play myths and share the importance of schemas
- Share some examples of common early years schemas
- The role of child led play in supporting schemas
