

Llangiwg Primary School's Curriculum Statement.

Senior leaders, practitioners, pupils, parents/carers and the wider community have worked collaboratively to develop a shared vision for the curriculum that we have developed at Llangiwg Primary School.

The school's curriculum meets the required elements as set out in the national framework. It is focused on ensuring that pupils develop the four purposes of being Ambitious Capable Learners; Enterprising Creative Contributors; Ethical and Informed Citizens and Healthy Confident Individuals. The curriculum at our school is progressive and will ensure pupils develop control and independence in their development of their literacy, numeracy, digital and integral skills in addition to ensuring pupils engage with increasingly complex and sophisticated content to progress their knowledge and understanding. Learners will develop an understanding of all What Matters statements as part of the school's curriculum. The process of exploring and revisiting these statements will enable our learners to develop ever deeper knowledge over their learning continuum and to progress to a more sophisticated understanding of the key knowledge, ideas and principles in each Area of Learning and Experience.

Assessment at our school enables learner progression as it is focused on supporting learners to move forward with their learning on a day to day basis and identifying, capturing and reflecting on learners' progress over time. The school's curriculum is broad and balanced, ensuring that pupils develop an integrated, cross-disciplinary approach to learning and ensures learners make meaningful links across the six Areas of Learning and Experience. This enables learners to build connections across their learning and combine different experiences, knowledge and skills. Our curriculum is designed to develop in our pupils a sense of belonging, not just in a physical or geographical sense but also the historic, cultural and social place which has shaped and continues to shape the community which our school inhabits. We aim to help our pupils make sense of their own identities and those of others, in our community, Wales and the across the world. Staff and Governors at Llangiwg Primary School are committed to ensuring a shared understanding of progression amongst all stakeholders through regular consultation and review of the curriculum we deliver, therefore feeding into our curriculum and assessment design, planning and self-evaluation and improvement process.

We will monitor and review the impact of our curriculum on pupils' progression and their development of the four purposes on a continuous basis throughout the academic year and complete a formal review on an annual basis. We will feedback the findings of the review to all stakeholders.
