Cultural experiences held within the school

(Plays, demonstrations, birds of prey etc)

The school will not charge pupils/parents for any educational visitors within the school. The school will fund all educational visitors from available grants. The PTA will also fund some activities held within the school.

Trips/ Visits

When arranging trips or cultural experiences outside the school building, where transport costs and admittance charges are made, we may ask for parental contribution. The school will ensure that all costs for parents are kept as low as possible. The school will not profit from any trips. The PTA also make contributions towards funding our trips.

A residential course at Pendine

The charge is reviewed annually by the LEA. There is a reduction for those pupils who receive free school meals. A donation towards the bus might be asked for in addition to the cost of the visit.

Contact the Head teacher

Assistance may be offered in some cases at the Head teacher's discretion.
