

Dear Children and Parents,

Our concept for this term is **'Younique'** with our focus being on **what makes us different and why our personal wellbeing is important.**

Children are expected to complete **at least three tasks** over the term from the areas of learning shown below. Please could these be completed by our celebration morning on **Thursday 15th December 2022.** Work can be brought in or emailed to class teachers using your child's HWB account (please see class pages for teachers' email address).

Language, Literacy and Communication

- Create a factfile based on Neath
- Read your favourite book and write a book review on it.
- Read some poetry and write your favourite poem to display in class. Can you add illustrations to it?
- Interview someone who is 'unique' to you. Ask them questions based on what makes them unique.

Welsh 2nd Language

- Create and design an 'All About Me' profile on J2Easy/Word, you can also include the Welsh phrases you have learnt this year.
- Learn the Welsh alphabet.
- Interview a Welsh first language speaker. Do they enjoy speaking Welsh? What tips would they give to someone learning Welsh?
- Research how many people speak Welsh and what the governments Cymraeg 2050 plan is.

British Sign Language (BSL)

- Learn the BSL alphabet
- Learn some BSL greetings e.g How are you? What is your name?

Mathematics & Numeracy

- Create a healthy eating menu with a budget of £10. Use supermarket websites to help you.
- Research how many pupils attend Gnoll Primary School? Compare this with other schools in the area.
- Estimate and measure** the height of family members (using m or cm).
- Create a timetable of your ideal day. You can include times or draw pictures to show a sequence of the events.
- Partition numbers using the part-whole method (circles).

Expressive Arts

- Create and design your own piece of Artwork in the style of Craig Jones, on what makes Neath 'Younique'.
- Draw a self-portrait showing your unique self.
- Ask a friend to draw and sketch you. What features do they notice about you? What makes you special?
- Research the artist Pablo Picasso. What made his portraits unique? Can you create a portrait of yourself or a family member in this style?
- Listen to different types of music. What style of music is your favourite and why?

		<ul style="list-style-type: none"> - Listen to different types of music and draw your emotions for each musical piece.
<p style="text-align: center;"><u>Humanities</u></p> <ul style="list-style-type: none"> - Explore a religion of a friend. Have a catch up and discuss how they celebrate their favourite religious festival. - Write 5-10 reasons to persuade people why they should come to visit Wales. - Look at old pictures of Neath, there are lots online. What is the same/different based on modern Neath? - Walk around Neath and describe the area and unique features, such as leisure centres, coffee shops etc. - Draw a picture of what you think Neath will look like in 100 years time. Add labels to your picture to explain your predictions. - Research unique buildings around the world. What building is the most interesting and why? Can you draw this building or create a factfile on it? - Interview family members based on their experiences of living in Neath. What do they like about living here? What would they change? What are their best memories of Neath? - If you have family members living in a different location, you could interview them too! 	<p style="text-align: center;"><u>Health & Wellbeing</u></p> <ul style="list-style-type: none"> - Go on an Autumn walk in your locality – what signs of Autumn can you see? - Complete an Autumn themed Mindfulness Colouring activity. - Do a Cosmic Kids yoga activity? - Walk a mile a day. - Create a gymnastic routine from all the movements/shapes we have learnt this term, record it and upload to J2Easy. - Create and design your own wellbeing strategy to use in the house. - Explore balancing and poses. Can you hold your balance and create a sequence of balance poses? - Draw and design a poster about things that make you happy/smile. 	<p style="text-align: center;"><u>Science & Technology</u></p> <ul style="list-style-type: none"> - Make a PowerPoint presentation on what our new Neath Leisure Centre will have to offer our community? This could be displayed on our website for promotion. - Can you come up with a song to help you remember all the bones/organs in your body? Or even make a dance? - Draw examples of a balanced diet plate. What would your plate look like for breakfast, lunch and tea? - Design a future building/community building for Neath. Can you think of a building you would like to see in Neath town? Perhaps a new community hub or sports centre? - Design a trainer which can help improve running speed. What features will it have?
