

Create some artwork of blooming spring flowers.

Look out for butterflies and mark them off on your very own butterfly checklist.

Make bird feeder and draw pictures to record some of the birds that use it.

Help out with chores around the house e.g. spring clean, cleaning the car, gardening.

Use plant seeds to grow some flowers or plants.

Become a wildlife detective and go on a mini-beast hunt.

Write an acrostic poem about a springtime word of your choice.

Go on a sensory spring walk with an adult. What can you see? What can you smell or hear?

Fly a kite on a windy day.

Ask your friends and family to tell you what their favourite thing about spring is. Make a list of their answers.

Go to the park with a grown-up and look out for signs of spring. Take photographs or make a list of what you spot.

Create a picture of a butterfly. Can you make sure that the wings are symmetrical?

Become a flower detective! Can you identify and name any of the flowers or plants?

Create a beautiful blossom tree painting.

Can you create a springtime collage/picture using natural materials?

Write your own springtime story.

## Learning Log: Exploration

We want you to embrace spring and all of the changes which occur during this season.
