Dear Parents and Carers,

We are excited to share that starting this Thursday morning, our Year 5 and Year 6 pupils will be participating in an enrichment project focused on design and engineering. Their challenge will be to design and construct a model rollercoaster — a fun and engaging way to develop creativity, teamwork, and problem-solving skills.

To help bring this project to life, we would be very grateful for any donations of the following materials:

- Cardboard boxes (to form the base structure)
- Paper straws (a large quantity, please!)
- Elastic bands
- Sticky tack / Blu Tack
- Masking tape
- Pipe cleaners
- Table tennis balls (to test the rollercoaster designs)

If you are able to contribute any of these items, please send them in with your child by Thursday 18th September.

Thank you, as always, for your continued support.

Warm regards,

Miss Evans, Miss Blackman, Mrs Fielding
