

S.A.N

We are a volunteer parent/carers group looking after loved ones with additional needs.

We provide peer support, signposting, as well as coffee mornings and a range of speakers to families living in Neath and the surrounding areas, to help inform and empower them. We also aim to improve the well-being of the carer by providing courses and well-being events for our members.

Our group is unique as we welcome all those needing help and support. Whether you are awaiting diagnosis via one of the pathways, have a recent diagnosis or need a listening ear. We have members caring for loved ones with a wide range of conditions.

We want to promote our group so parents in the community can get support and not feel alone.

We meet during term times,
every Wednesday 10am-12.30pm at
Brynhyfryd House (former Primary School),
Giants Grave Road, Briton Ferry, Neath, SA11 2ND

Our Website is
