 'Be Joyful, Learn and keep the Faith'

## Year 6 Newsletter

<b>Year 6 Weekly Routine</b>	
<b>Monday</b>	Afterschool club 3-4pm.  <i>Netball/Rugby – Any form of P.E. kit for this. Gum shields/shoulder pads/scrum cap etc</i>
<b>Thursday</b>	PE – Swansea City sessions.  <i>Children come to school wearing their school PE kit.</i>
<b>Friday</b>	Games  <i>Children come to school wearing their school PE kit. Bring togs for football.</i>
<b>Daily</b>	The children should be spending ten minutes a day at home on TT Rockstars and at least ten minutes a day reading. Both are imperative to their development and progression across a range of subjects.

There is the option of snack at playtime, at the cost of £1.50 per week or £10.00 for the half term (until 28/10/22). Each day the children will be able to have a piece of toast, and on Friday a treat.

Please send the money with your child each Monday in a labelled envelope. If not, you can continue to provide your own snack instead. Many Thanks.

### Class Dojo

Thanks to all who have signed up. Please continue to check for any information or news on our class/ school story.

### Autumn Term "Football World Cup"

### Maths

In maths, we will be following the White Rose Maths scheme of work. This term we will be focusing on the following concepts; Place Value, Addition and Subtraction these will be followed by Multiplication and division and finally we will end the term with Fractions.

### Literacy

In literacy we have a novel based approach to our learning. All of our literacy tasks will stem from the novel *Carrie's War* (Nina Bawden).

We also follow a separate reading comprehension scheme called Reading Explorers.

This term we will be discussing the Football World Cup, the reason for this being that Wales have qualified for the first time in 64 years and it provides the children with the opportunity to support their nation and develop a sense of belonging. In Health and Well-Being, we will be learning what it means to develop resilience and a Growth Mindset. We will also be exploring healthy eating and the effect of exercise on the human body in Science and Technology. We will be researching and comparing localities in Humanities. We will continue to develop our Higher Order Thinking skills throughout our topic work.

**Many thanks for all your continued support,**  
**Mrs Stanier**  
**Year 6 Teacher**

*N.B: If you have any special requirements when visiting us or require written material in a different format which we need to consider, please contact the school.*
