Each half term, links will be provided via the School Story on Class Dojo to access videos to support your child's phonics development at home in line with their weekly sounds in school. We encourage you to watch and practice along at home as much as possible. Please watch videos appropriate to the group your child is in e.g., orange, yellow. These correlate with the colour book sent home on a Friday.

Many thanks for all your continued support,

Miss Carlsen

Year 2 Teacher

Autumn Term "Bridges"

This term, our Year 1 and 2 children are exploring the theme of *Bridges*—not just the physical structures, but the emotional and social connections that link us to each other, past and present. Through hands-on activities, teamwork games, storytelling, and creative projects, we'll be learning about empathy, respect, and collaboration. We'll also explore real bridges in our local area and around the world, and finish the topic by building a large collaborative bridge that celebrates everything we've learned about connection and community.

Pictures of our learning journey will be shared via Class Dojo. 😊

N.B: If you have any special requirements when visiting us or require written material in a different format which we need to consider, please contact the school.
