

Site Entrance/Exit and Breakfast Club Changes

September 2025

**COEDFFRANC
PRIMARY**

Giving our children the roots to grow
and the wings to fly

The old canteen has been demolished and our lovely new canteen building is ready to be used for breakfast club and at lunchtime with the children. However, the site is not completed yet. The times for breakfast club remain as normal opening at 8.15 am and last entry at 8.35 am.

For Breakfast Club, children and parents will wait in the Junior Yard near the PTA shed until the doors are opened

Children can be brought, when called by staff to the canteen doors or, if they are old enough, walk down themselves from the waiting area.

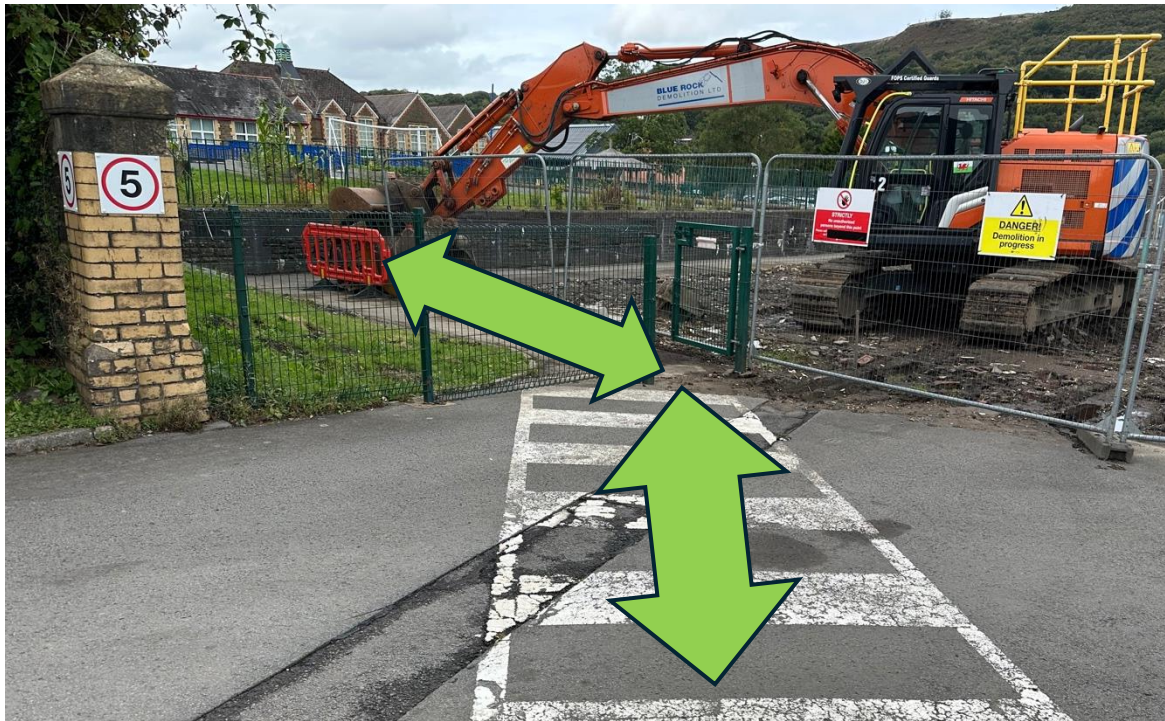

Can adults then please leave the area by going up the ramp after dropping children at the door so that families don't bump into each other.

If your child is late and arrives before 8.35 am, please knock the door of the canteen for entry.

New Breakfast Club arrangements for September 2025

Don't forget, children are not to be on site until 8.30 am if they are not in breakfast club, and then, only children in Year 5 and 6 should be on site from 8.30 without parental supervision.

Please note that the gap that led from the old canteen path to the bike park area is now closed. To get to the bike park, please go through the turning circle gates and access it this way.

Entry and exits from the site have had to change slightly since the demolition of the canteen. The double red gates on Stanley Road remain in use at the usual times (until 9.10 am and from 2.45 pm).

We still have our safer walking route from the Old Road. This means that pedestrians will be able to walk onto site through the Old Road gates through the pathway shown and the carpark between 8:40 and 3.10 pm.

Giving our children the roots to grow
and the wings to fly

Don't forget, children are not to be on site until 8.30 am if they are not in breakfast club, and then, only children in Year 5 and 6 should be on site from 8.30 without parental supervision.

If you need to have access to the Infant Building via Stanley Road using a ramp, please come onto site through the red double gates on Stanley Road and go past the staffroom external building, down the ramps near the bike storage area and through these gates into the carpark or use the pedestrian entrance off Old Road and enter the turning circle area. The ramp down to the Infant Yard is still in place for you to use to gain access to the building and yard area.

As I mentioned earlier, we hope that the new ramps will be in place within the next few weeks and we will write again to you then to give you an update on the entrances and exits that will be in use.

Thank you for your patience and understanding. As the school in effect rents the site from the Local Authority, we are very much in their hands and the hands of the contractors with this construction work. We all look forward to having our grounds back to normal and enjoying the lovely new facilities without disruption.
