

**COEDFFRANC  
PRIMARY**

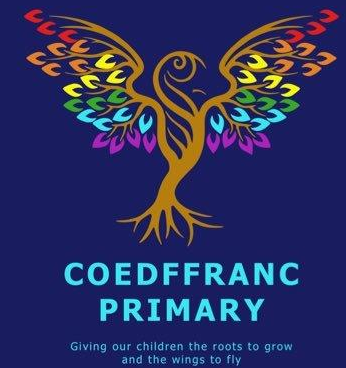

Giving our children the roots to grow  
and the wings to fly

**Changes to entry  
onto and exit from  
the school site  
from Tuesday 4<sup>th</sup> of  
November 2025**

From Stanley Road, there are two ways of accessing the school site. Both are 'buggy friendly'. You'll be able to walk down the side of the new canteen through the single gate, down the new ramp and into the Infant Yard.

Or, still from Stanley Road, you will be able to walk through the double red gates and around between the junior building and the new canteen. You'll see the ramp and steps near the PTA shed are now fully open which leads you down the larger of the ramps near our Family Room and into the Infant Yard.

The ramp down to the infant building from the carpark has now been removed. The steps are still able to be used and are the only means of access to the School Office during the school day..

To gain access to the Infant Yard with a buggy, you will need to either use the Stanley Road entrances, or come in through the Old Road entrance and go up the ramp near the wooden hut, past the football pitch and down the ramp near the new canteen and into the yard.

**This gate between the heat pumps and the canteen will be locked at the start and end of the day.**
