Giving our children the roots to grow
and the wings to fly

Inclement Weather Update

**Monday 5th of January
2026**

Ramp down from Stanley Road pedestrian gate leading to the Infant Yard.

Treated path from the steps to the Infant building.

We've done our best to ensure that the school can open tomorrow (Tuesday 6th) and I'm very grateful to Mr. Kevin Lewis our caretaker for his great work today. To allow staff to work on site today, we have treated pathways on the site to keep everyone safe. It is essential that everyone sticks to these gritted paths tomorrow.

Double Stanley Road gate leading past the canteen and down to the Infant Yard

The double red gate entrance from Stanley Road is gritted with a safe path around the canteen and down into the Infant Yard. Please, make use of the handrails that are there and ensure that children are also sticking to these safer areas. If you are entering from the Old Road, there is a cleared path around the old canteen area and through the turning circle where the bandstand is.

Breakfast club will open as usual and can adults and children wait in the usual place, sticking to the cleared areas. Can parents of children in Year 5 and Year 6 let their children know that there will be no football before school tomorrow as the football pitch area is not available to be used.

The children will enter through and be collected from their usual entrances and exits to the school buildings. Please, keep the children with you and keep them safe on the treated areas.
