Dear all,

Well we have finally made it to the last 2 weeks of term, and these weeks are the busiest of the year! I have updated the dates for the diary so please make sure you have checked the final dates for this term so you know what is happening each day.

The children and staff have been busily rehearsing for their performances. Please make every effort to bring your child back to school for the evening performances as everyone has been working extremely hard and it is disappointing if lots of children are missing on the night.

I'd like to thank you for your continued support and wish you all a very Happy Christmas and a Peaceful New Year.

Mrs Richards

BREAKFAST CLUB ACCESS TO STAFF CAR PARK

Many thanks for your cooperation in not using the staff car park for Breakfast Club drop off. I really appreciate it and now feel the car park is a much safer place in the mornings.

SOFT OPENING FOR JUNIOR CLASSES

This seems to be working really well in the mornings and there are very few latecomers to the junior building now. Once again, thank you for embracing the change.

LIGHTING OF THE CHRISTMAS TREE - A massive thank you to Ivy Tower Christmas Trees for donating a beautiful tree to the school. It looked amazing at our light switch on. Thank you to all those who attended and made the event a success. And finally a big thank you to our PTA for organising the event - it is much appreciated. If you are interested in joining the PTA please contact either the school office or Amy Blake.

HAMPER RAFFLE - Raffle tickets are still available to purchase either at the Christmas concerts or by popping into the school office (£1.00 a strip). We have some amazing hampers and extra prizes too all thanks to your fantastic donations. Thank you!

CHILDREN'S CHRISTMAS CRAFT - If you haven't yet purchased your child's Christmas craft, they are all still available from your child's class teacher. All money raised goes to the class to decide what they would like to spend it on.
