### Continuing to Grow and Improve

While the inspection was overwhelmingly positive, we continue to build on our success through:

- **Mathematics:** Embedding the CPA (Concrete–Pictorial–Abstract) approach and ensuring pupils apply numeracy across all subjects.
  - **Independence and challenge:** Extending opportunities for older and more able pupils to take ownership of their learning.
  - **Pupil voice:** Strengthening pupil influence through School Council, Digital Leaders, Eco-Committee, Criw Cymraeg and more.
- 

### Ongoing Priorities

Catwg continues to work towards ambitious targets in **literacy, numeracy and independence**, ensuring all pupils leave equipped with the skills, confidence and curiosity to succeed.
