

# Pop Star!

**Skills Day: Monday, 2nd October, 2023**

'Pop Star' is a themed day designed to develop a wide range of skills within the context of ICT, Art and Music. The tasks revolve around promoting a pop group. The day will consist of:

- Four 60 minute sessions within ICT, Art and Music Departments.
- Pupils to work within small groups.
- Work will be on display during Open Evening.

## Session One—Music Video Part One

Using MovieMaker to create a music video.

## Session Two—Music Video Part Two

Continuing work from Session One.

## Session Three—Creating a radio jingle

Using recording software and microphones to create a radio advert/jingle to promote the group.

## Session Four—Developing promotional materials

Create a poster to promote the group.

## Conclusion

Pupils return to the Main Hall where the best music videos of the day will be shown.

### Frequently asked questions about Skills Day:

- What should we wear?** Your own school uniform, if there is one.
- What shall we do for dinner?** You can bring a packed lunch or purchase a meal in the Canteen. £3.50 will be enough.
- How will I get there?** You can travel on the school bus if it stops in your village. The school bus drivers will be expecting you so don't worry that you don't have a bus pass. You will have to pay if you catch a service bus. If you aren't travelling by bus you will have to make your own way to Cwmtawe.
- What else should I bring?** A pen and plenty of enthusiasm for learning.
- Will I be with my friends?** We'll make sure you're with children you know and with those you don't so that you make lots of new friends.
- My friend in Year 6 wants to come but hasn't had a letter. What should they do?** If their parents contact Cwmtawe we will send them an invitation.
