

Ysgol Gynradd Rhos Primary School

Our Eco-School Green Flag Action Plan 2020/21

Target	Action	Who's Responsible	Cost	Time scale	How will we measure progress?
To introduce games from other countries to use during break time or in class?	Research playground games from other countries. Give pupils the opportunity to decide which games they would like to play – pupil voice. 'Train' RRS pupils to play games and share with their peers.	Y Llais	Nil	Aut 2020	Take photos of children playing the games. Talk to children about the games – which ones do they play/enjoy?
To raise awareness of the effects of air pollution on our environment.	Encourage drivers to turn their engine off when dropping off/waiting to pick up children. Hold regular walk or cycle to school events/days. Survey how people travel to school - Do most pupils walk, cycle, scoot or catch the bus to school? Look at the global impact of air pollution. Find out about food miles – link to tropical fruit Rainforests topic Y5/6.	Y Llais Parents All classes	Nil	Aut 2020 Spr/Sum Term 2021 (Ongoing)	Survey results – are more pupils cycling. Walking or scooting to school? Are parents turning off their engines when dropping off/collecting children? Pupils understand air pollution – the effects and how to reduce it. Pupils take part in Walk to School/Cycle to School events.
To reduce litter in the community	Identify with pupils which areas in the local community are affected by litter Take part in a community litter pick.	All classes (Y1-Y6) All staff Keep Wales Tidy	No cost	Summer Term 2021	Pupils' opinions collected about litter in the local community/Photos taken Pupils took part in a litter pick in the community
