

Helen Rosser
Family Engagement Officer

About me...

I am a Teaching Assistant at Cwmnedd Primary School and have worked at the school for 25 years. I live in Glynneath and so know our area very well. As a TA and ELSA at our school, I pride myself on the positive relationships I create with our children. I enjoy meeting new people and building positive relationships. I am a happy, friendly and caring person that likes to help others. I am looking forward to making connections with our Cwmnedd Families.

What is a Family Engagement Officer?

My role is to work together with our children, families and school to support attendance, participation and provide opportunities for you as families to be actively involved in the life of our school **to support your children.**

I also work with community partners to support events and activities and find opportunities to develop engagement for families and their children within our school.

I will...

- Support you and your family;
- Make time to talk and listen to you;
- Treat the matters we discuss with professionalism and sensitivity;
- Support you through speaking to other agencies on your behalf (if required).

I can offer a range of support to you and your family, including information on local services, links with pre-school after-school and holiday opportunities for your children, transition support to comprehensive, and information and support to apply for your entitlements.

I will be based in Cwmnedd Primary School every day. **My Family Engagement days are Monday, Tuesday and Wednesday**, If you see me, stop for a chat and say hello, or you can contact me at school on:

Phone number: 01639 720220

I work closely with Gemma Addis-Fuller our Learning Community Manager

Our project is funded through Welsh Government Community Focused Schools and is managed by Neath Port Talbot County Borough Council Education Department.
