

Working Together for Excellence / Gweithio Gyda'n Gilydd er Rhagoriaeth

Curriculum Summary

At Cwmafan Primary School, we are moving towards planning and teaching through the new Curriculum for Wales with children realising the characteristics of the four purposes. We believe the opportunities under these new arrangements are exciting and inspiring but are in line with the curriculum that we have endeavoured to provide for some time. We are transitioning from a topic based approach to a concepts based approach with a focus on teaching higher order thinking skills.

Our curriculum places emphasis on equipping our pupils for life and provides opportunities to learn new skills and apply their knowledge positively and creatively. Learners gain a deep understanding of how to thrive in an increasingly digital world.

Our curriculum will be under constant review and will be revised, refined and updated to ensure that it meets the mandatory requirements.
