

## Big question

### How can everyone working together achieve more?

This term Years 3 and 4 will be learning how to get along with one another in their play, work and school life. They will explore how to be an effective team through a range of activities. Children will discover the important skills that are needed to make a successful team and what role each individual plays. They will learn to actively listen to one another and learn how to contribute effectively to classroom activities. Through discussion, children will be able to use and build on the ideas of others to create ideas and collectively make decisions. Pupils will understand the importance of working as a team to complete challenges and working together with each other we can achieve more.
