

Big question

How can we achieve it together?

This term the children in Year 1 and Year 2 will learn how to be a good team member and the necessary skills needed to work together to achieve success. We will read and tell stories as a whole class, in groups and as individuals that focus on working together effectively. We will be innovating, and performing a story and in collaboration, will create a Croeso sign inspired by the work of a Welsh artist.

**TOGETHER
WE CAN**
