

## Big question

## Why are celebrations important?

This term the children will develop a deeper understanding of what it means to 'celebrate'. We will start with looking at significant historical figures and events in Wales and then wider world. We will be looking at important people we celebrate as a nation and our neighbouring nations, as well as learning about the four patron saints of the United Kingdom. Discussion and research based on various commitments, dedication, sacrifices and change will ensure that they further develop their understanding of the diverse society in which they live. To conclude the concept, the children will plan and host a coffee morning for members of the community where they will present their findings in a variety of ways.
