

Big question

Why are celebrations important?

Let's Celebrate Us!

This term the children will explore a range of celebrations and begin to understand why and how we participate in them. We will begin with a familiar celebration i.e. birthdays before moving on to cultural celebrations such as St David's Day & Chinese New Year. The children will be given the opportunity to discuss the similarities and differences between the celebrations and how each one affects them, drawing on the previous experiences. They will also be encouraged to develop curiosity and understanding of unfamiliar events. The children will use the skills and knowledge that they have acquired throughout the term to plan their own celebration for Dilwyn the Welsh Dragon's birthday. They will be encouraged to think about what is important to Dilwyn so that the celebration is relevant to him.
