

www.hwb.wales.gov.uk

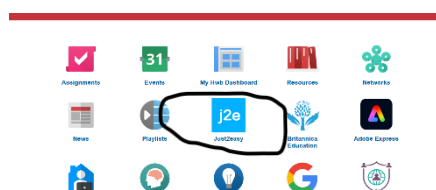

HWB is a learning platform developed and published by the Welsh Government. Each child has their own individual log-in, where they can create their own work using JIT. Follow these simple step by step instructions to log into HWB.

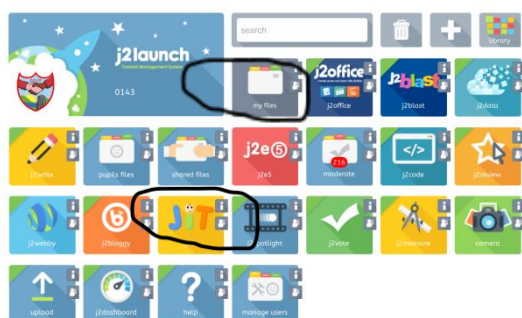

Click on the log in icon at the top of the page.

Enter username and password. The password is case sensitive.

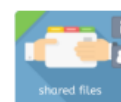

Click on
Just2easy.

In the JIT section of HWB you will find a whole host of excellent resources to help your child with their learning including paint and write. You can look at the children's work in My Files.

Optional homework will be set weekly and can be found in your child's shared files.

If you have any questions or difficulties logging on, please ask your child's class teacher, they will be happy to help you.
