

Reception

I Can Do It!

Purpose:

This term the children will be exploring their own achievements in lots of fun and exciting ways. They will be building independence and responsibility through self-care skills, practising listening and following instructions, and showing kindness and helping others. We will also be getting creative with art and crafts, trying out new physical challenges, and growing in confidence as singers and performers. To complete the term, we will celebrate everything the children have achieved with a Christmas concert and a special awards assembly, where each child will be awarded with a well-deserved certificate.

End Goal: The end goal is to hold an awards assembly that celebrates the children's achievements.

Core Values: Responsibility

Possible visits/experiences: Welly Wednesdays.
School nurse visit – handwashing.
