

Cwmafan Primary School Development Plan 2025-2028

Priority 1

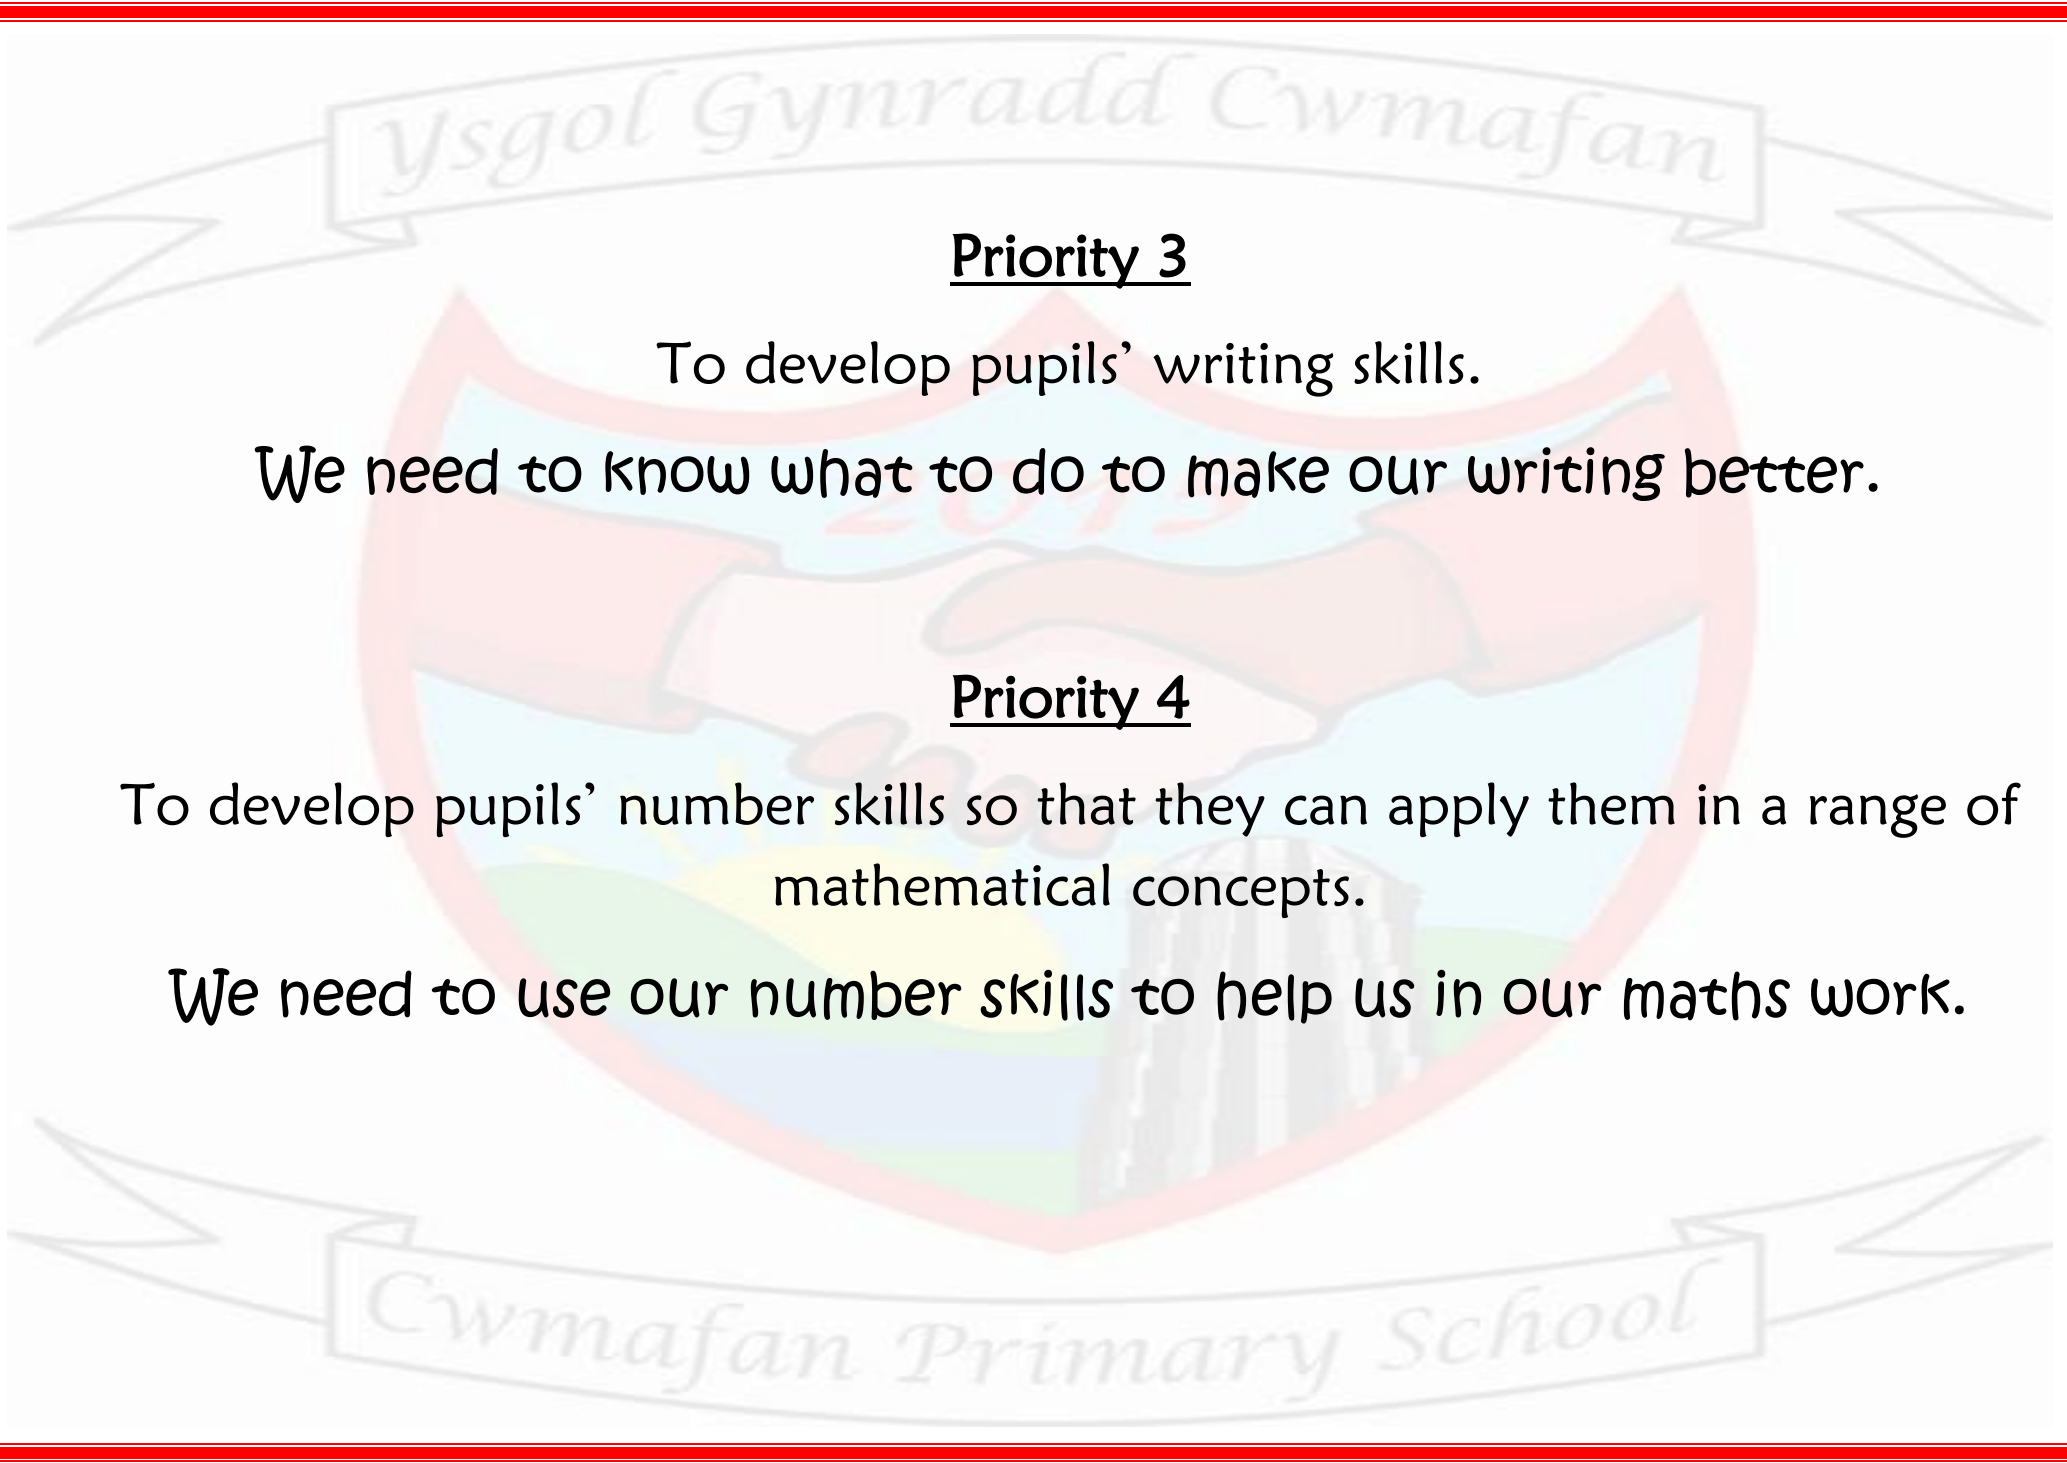

To improve pupil attendance.

We need to come to school every day.

Priority 2

To develop pupils' understanding of how to make progress in their learning.

We need to be able to talk confidently about our work and understand what we need to do to get better.

The background of the slide features a large, faint school crest. At the top, a banner reads 'Ysgol Gynradd Cwmafan'. The central shield contains a stylized landscape with a blue sky, green hills, and a yellow sun. Below the shield, another banner reads 'Cwmafan Primary School'.

Ysgol Gynradd Cwmafan

Priority 3

To develop pupils' writing skills.

We need to know what to do to make our writing better.

Priority 4

To develop pupils' number skills so that they can apply them in a range of mathematical concepts.

We need to use our number skills to help us in our maths work.
