Pupil 2 Parent Progress Chat – Week beginning 27th November 2023

Dear Parents and Carers,

We would like to invite you to our second Pupil 2 Parent Progress Chat, during which your child will share their work with you discussing how they feel they are progressing, which work they are most proud of and what they believe they need to do next.

Our first attempt at this proved very successful and was enjoyed by pupils and parents. To further develop your experience we have attached an integral skills development sheet. This outlines how the four areas are seen in school and how they may be perceived at home. This will hopefully help you to identify examples of where your child is progressing and use these as a discussion point with your children.

Our parent engagement work means that you are able to speak to a teacher about your child's progress whenever you want, rather than waiting for a 15 minute appointment to be given to you. Furthermore, at Awel y Môr, we do all we can to ensure that you are kept fully up to date with your child's progress. In the case that there is something we want to discuss about your child's learning please be assured that we would contact you and invite you in for a chat, rather than wait for a parent's evening to bring something up.

Sessions will take place during the week beginning the 27th November. Over the next two weeks all the pupils will be having dedicated 1:1 time with their class teacher to discuss their work and to prepare for their chat with you.

Please see the following information for details regarding your child's class:
