## **Dear Parents, Carers and Members of the School Community,**

I am writing to share some important news regarding leadership changes at Awel y Môr Primary School.

Our Headteacher, Mr Sam Greasley, has been offered an exciting opportunity by the Local Authority to undertake a two-year secondment, beginning this term. During this time, Sam will be working on a range of strategic projects that build on the many successes achieved here at Awel y Môr. This is a testament to the outstanding leadership he has provided over the past seven years, and we are proud that his work is being recognised at a wider level.

While Sam is away, Mr Kyle Winter will be stepping up as Acting Headteacher for the duration of the secondment. Kyle is a highly respected member of our senior leadership team and brings a wealth of experience, dedication, and vision to the role. Supporting him will be Mrs Lisa Whiteman, who will take on the role of Acting Deputy Headteacher.

Both Kyle and Lisa have been at Awel y Mor for several years and understand what makes our school so very special. They will be keen to maintain the high standards of the school but to also introduce some of their own ideas.

To ensure a smooth and effective transition, the senior leadership team is currently engaged in a comprehensive handover programme, working closely together to maintain continuity and uphold the high standards our school community expects.

On behalf of the Governing Body, I would like to extend our heartfelt thanks to Mr Greasley for his exceptional leadership. Under his guidance, Awel y Môr has grown into a school that the entire community can be proud of — a place where children thrive, staff feel valued, and families

are welcomed and supported. Mr Greasley's final day will be Friday, 28th November. I'm sure many of you will want to take the opportunity to reach out to him before then.

We wish Sam every success in his new role and look forward to seeing the positive impact of his work across the wider education community. I have no doubt he will continue to follow Awel y Môr's journey closely and remain a passionate supporter of our school.

Thank you for your continued support.

Yours sincerely,

A handwritten signature in blue ink that reads "M. Crowley". The signature is fluid and cursive, with a horizontal line at the end.

Cllr. Matthew Crowley

Chair of Governors
