DECEMBER 2025

Dear Parents and Carers,

As we reach the end of a busy and successful term and being in my new role, I would like to reassure you that my priority is to maintain stability, build on our many strengths, and keep your children's wellbeing and learning at the centre of everything we do.

This term, our pupils have continued to make strong progress, not only academically but also in their personal development. From music lessons and sports fixtures to educational visits and the school pantomime, they have shown resilience, perseverance, determination and a real pride in their school. I would like to thank all of the staff for their hard work and care, and you, our parents and carers, for the support you give from home. As we approach the festive break, I hope you are able to enjoy some restful time with family and friends. On behalf of all the staff, I wish you a peaceful holiday and a happy and healthy New Year.

Thank you once again for your continued support.

Kyle Winter

Acting Headteacher

ATTENDANCE

As we begin a new year at our school, we kindly ask for your support in improving pupil attendance. Every day in class is a valuable opportunity for children to learn, grow, and take part in exciting activities that build confidence and skills for the future. By ensuring your child attends regularly and arrives on time, you are helping them make the most of their education and strengthening our school community. Let's work together to make this our best year yet!

CHRISTMAS

A huge thank you for supporting the Christmas Panto, Early Years concert and Christmas crafts this half term. Your support is very much appreciated by the children and our staff who work tirelessly to put these events together.

PARENTAL ENGAGEMENT

Parental engagement is essential to our school's success. When families stay involved and connected, our children are more motivated, confident, and better prepared to achieve their goals. Working together creates a stronger learning environment and supports every child's growth.
