

Around the apple,
up the leaf, down the leaf

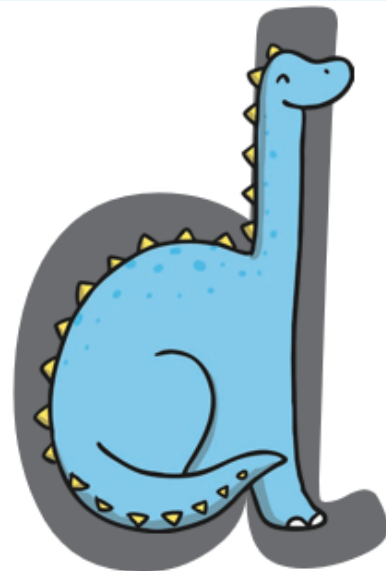

Down the laces to the heel,
up and around the toe

Curl around the caterpillar

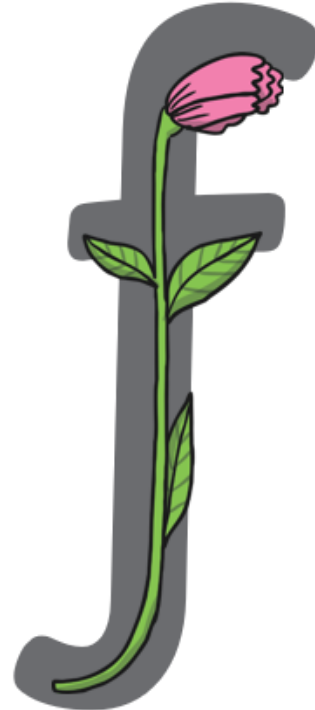

Round his bottom, up his tall
neck and down to his feet

Cut off the top
and scoop out the egg

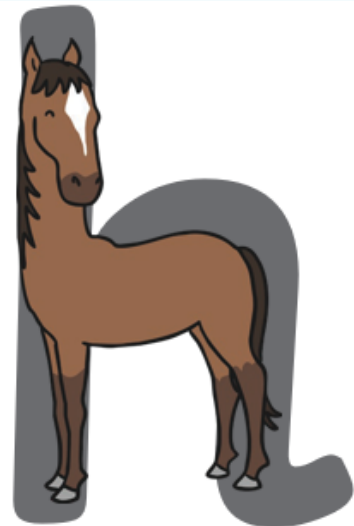

Curl down the stem
and draw the leaves

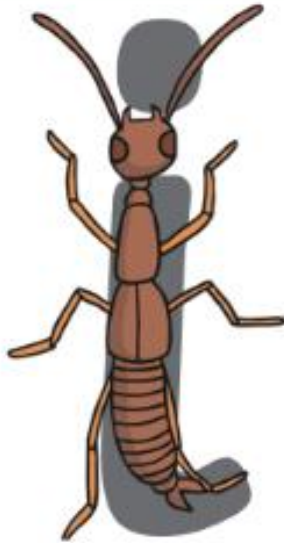

Round her face, then down her
hair and give her a curl

Down the head to the hooves,
up and over his back

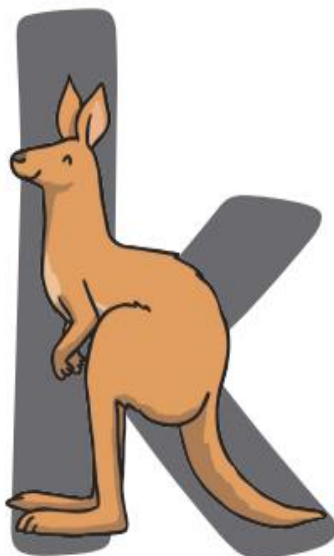

Down the body,
dot for the head

Down the body with a curl,
dot at the top

Down the kangaroos body, up
for a tail and down for a leg

Down the long leg

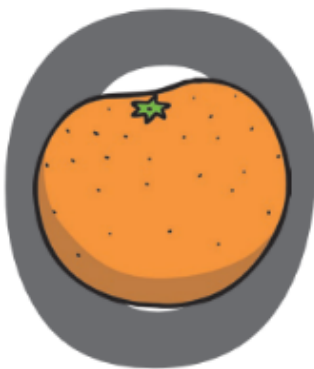

Maisey mountain mountain

Down Nobby up and over his
net

All around the orange

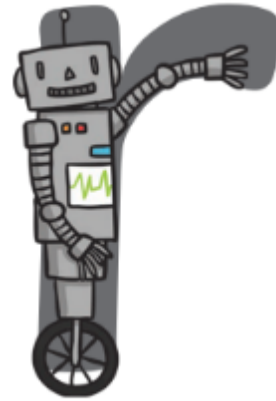

Down his plait, up and
over the pirate's face

Round her head, up past her
earrings, down her hair with a flick

Down his back,
then curl over his arm

Slither down the snake

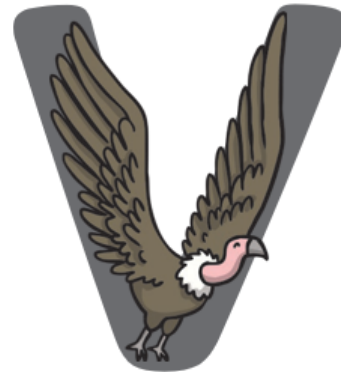

Down the tower with a tail,
across the tower

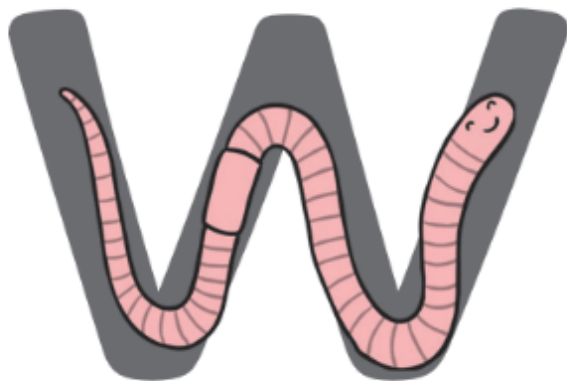

Down and under, up to the
top and draw a puddle

Down a wing, up a wing

Down up, down up

Down the arm and leg,
repeat the other side

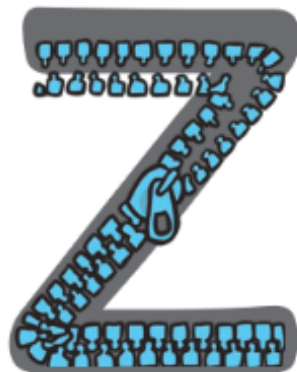

Down a horn, up a horn
and under his head
