

## Sea Otters Spring Term Home Learning Menu

Dear Parents

Thank you for your response to the homework tasks last term. We were thrilled with the quality and variety of work we received from the children. Here is the home learning for the Spring term. As before, the children can choose which task they would like to do each in any order (except for the Oracy task which will need to be ready for the week beginning the 19<sup>th</sup> February). As it is a short term we have provided 6 tasks but will only expect 4 tasks **and** the Oracy to be completed. The children are expected to hand work in every **fortnight**. The home learning will be celebrated and items will be displayed in class. We appreciate your support with these tasks and if you have any questions please come in and see us or email the office.

Diolch yn fawr

Mrs Bews and Miss Burn

**Home Learning is due on: 22/1, 5/2, 19/2, 4/3, 18/3**

### Home Learning Choice Menu – Time Travellers The Ancient Egyptians

<p style="text-align: center;"><b>Oracy</b></p> <p>Can you create a 5 minute presentation to present to the class about anything you would like. Choose a topic that you will enjoy talking to the class about.</p> <p><u>This will need to be ready by the 19<sup>th</sup> February</u> (For most children their target is to extend the length of their presentations a little bit more.)</p>	<p style="text-align: center;"><b>Literacy</b></p> <p>Either write a story about being a time traveller. – go back to a time in the past</p> <p style="text-align: center;"><b>Or</b></p> <p>Produce a powerpoint/write a factfile (with at least 10 facts) about somebody famous from the past who you think is interesting And that you think the class would enjoy learning about.</p>
<p style="text-align: center;"><b>Creative</b></p> <p>Create/design your own Egyptian jewellery. It could be 3D or you could draw, colour or paint your own design. There are lots of examples in class and on Google Classroom</p>	<p style="text-align: center;"><b>Health and Wellbeing</b></p> <p>Early on in the term we will be looking at being safe around medicines. Can you design a poster encouraging medicine safety. The link to the video we watched in class is on Google classroom if you need reminding of the key points. (YouTube - Michigan medicine using and keeping medicine safe)</p>
<p style="text-align: center;"><b>Science and Technology</b></p> <p>In science this term we will be looking at light and sound.</p> <p><b>Either</b> make a shadow puppet we can use when investigating light</p> <p style="text-align: center;"><b>Or</b></p> <p>A musical instrument made from recycled materials we can use when investigating sound.</p>	<p style="text-align: center;"><b>Numeracy</b></p> <p>Choose the pyramid worksheet that is at your level and complete. (on Google Classroom or ask in class). Each brick is the sum of the two bricks below it.</p>

Please don't forget there is **ALWAYS** weekly spellings and tables tests on a Friday. Mymaths and TT Rockstars are great at home resources to help your child with their class maths also.
