OF BLAENGWRACH PRIMARY SCHOOL

Believe - Achieve - Succeed

You are invited to join our friendly group of parents and carers who have come together to form 'Friends of Blaengwrach Primary'

Our aim is to support our school in a number of ways, including arranging fun activities and fundraising, with the goal of connecting with families and providing the children with extra resources and the partial subsidising of trips.

Imagine how great it could be if everyone joined in! Have you got a knack for baking? Crafting? Planning? We'd love to welcome you. There are no formal commitments, just the desire to help out when you can. We will meet termly, please look out for messages for more information or join our group to keep up to date by [clicking here](#) on mobile devices
