

Megan Roberts

Family Engagement Officer

About me...

Before becoming a part of Team Teulu I was a primary school teacher in Port Talbot. I have spent most of my teaching career in the Upper Afan Valley but I also made a move to teach in Abu Dhabi in 2018. My favourite part of my career was working with families, but due every other part of the career, it was what I was able to spend the least time doing. I have jumped into Team Teulu with both feet and I am ready to support, advocate for and foster relationships with families, schools and the wider community.

What is a Family Engagement Officer?

My role is to work together with pupils, families and the school to support participation and provide opportunities for you to have your voice heard. I also work with the community to support events and activities.

I will...

- Support you and your family;
- Treat the matters we discuss with professionalism and confidentiality;
- Listen to you without judgement;
- Make time to talk and listen to you;
- Support you through speaking to staff and other agencies on your behalf (if required).

I can offer a range of support to you and your family, including information on local services, links with pre-school after-school and holiday opportunities for your children, transition support to comprehensive, and information and support to apply for your entitlements.

I will be based in your child's school throughout the week. If you see me, stop for a chat and say hello, or you can contact me on;

Phone number: 07974 063 887
